

generally = usually

I don't have an issue with = I don't have a problem with

to tend to + infinitive = usually

accurate = the right time

1. Do you like wearing watches?

They're not something I **generally** wear but I **don't have an issue with** them. I **just tend to use** my phone for the time. It's more **accurate**.

not in the slightest = No!

an electronic device or gadget =
phone, tablet, laptop etc

pointless = useless

2. Do you think a watch is important for you?

No, not in the slightest. I'm always on **an electronic device or gadget** and the time is shown on them so having a watch is **pointless**.

If I remember rightly = if my
memory serves me right = if I
remember correctly

sentimental value = the value of an
object deriving from personal or
emotional associations rather than
material worth

3. Have you ever received a watch as a gift?

If I remember rightly, I got one for my 8th or 9th
birthday. I still have it somewhere because it has
sentimental value but I don't wear it.

I'm guessing = I think

status symbol = something that shows you have money

flashy = to be showy in a tasteless way

if I were a millionaire, I wouldn't wear = second conditional

designer or luxury = expensive

4. Why do people like expensive watches?

I'm guessing because they're **status symbols**.

Personally, I find them a bit **flashy** so even **if I were a millionaire, I wouldn't wear** a **designer** or **luxury** watch.
